# Dedication

After teaching shop for 34 years at George White, Mr. Bogert will retire this June. During those years, he has patiently taught us the merits of working productively with our hands as well as our minds.

For his enduring faith in young people and their potential, we, the class of 1978, affectionately dedicate our yearbook to Mr. Bogert.

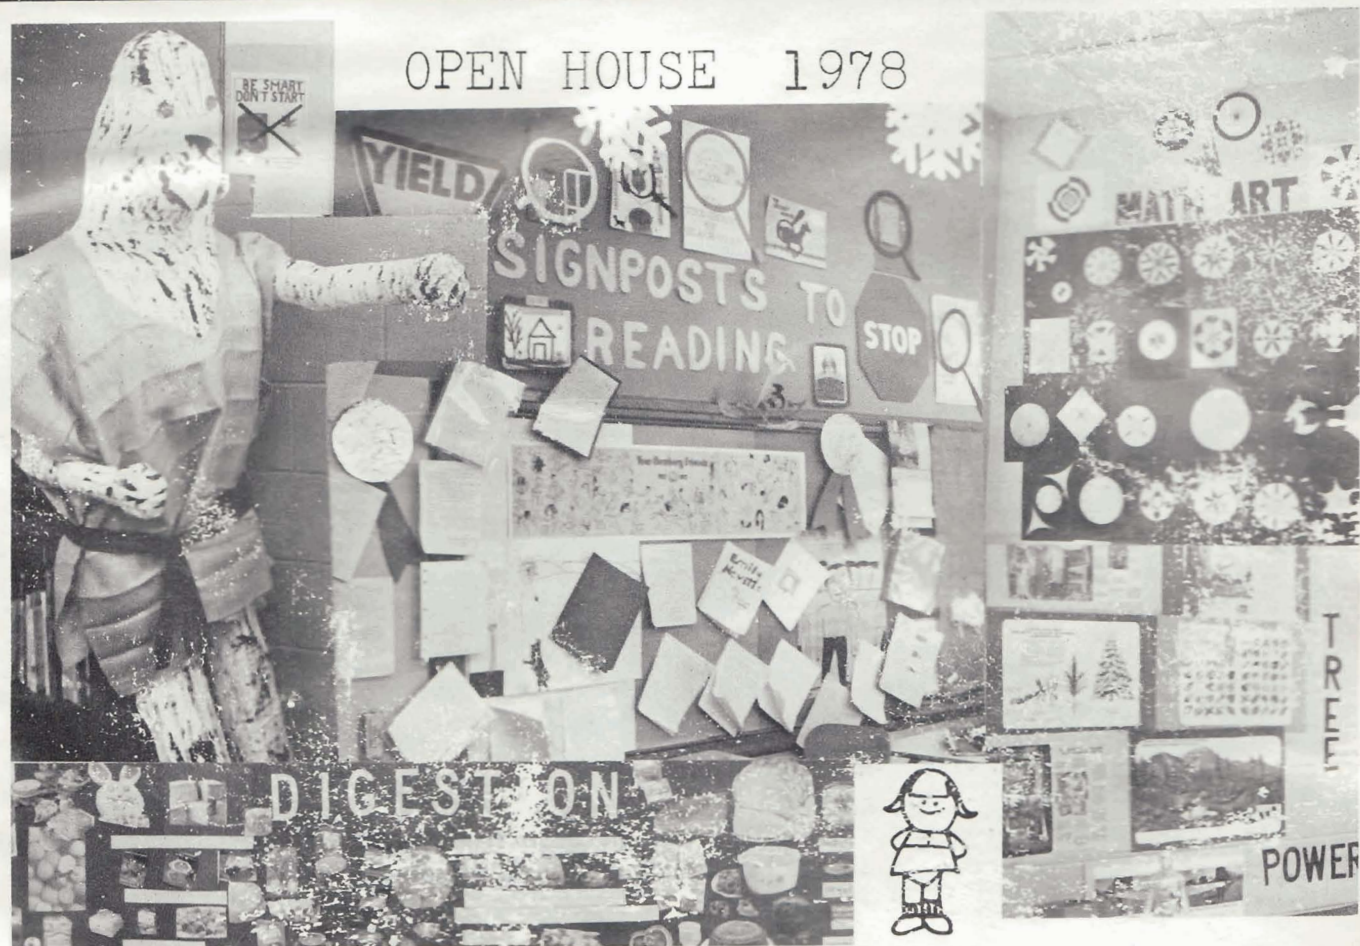

# SUPERINTENDENT OF SCHOOLS

Congratulations to you, the Class of 1978, upon your graduation from the George White School, and best wishes for the future.

I truly hope that the education you have received in the Hillsdale Schools has prepared you to move successfully through your high school experience.

Michael G. Gardullo  
Superintendent of Schools

# ADMINISTRATION

## *Principal's Message*

The first milestone in your educational life has been completed. Your high school and college careers are before you.

The responsibility of utilizing your basic information and expanding upon it should be carefully considered when choosing courses and your career.

Plan well, for your responsibility is not only to yourself, but to society. Every person has the responsibility to become a productive member of society.

**DONALD PARRY, PRINCIPAL**
