### FABRIC OF THE COMMUNITY - AN INVITATION TO PARTICIPATE

The Hillsdale Free Public Library is creating a crazy quilt of fabrics contributed by the community. As a community organization in Hillsdale, you are invited to participate by sharing a t-shirt or some other fabric garment associated with your organization so that you may be represented as part of “The Fabric of the Community.” Perhaps you had fabric masks made for the current pandemic with your logo?

The Library seeks to document how your organization contributes to our community. Please tell us a little bit about your group, its inception, or an interesting story relating your group to Hillsdale.

The quilt will be assembled over several months and will be finished by March 2022 in time for New Jersey Makers Day. It will remain on display at the library through the end of 2022 and become part of the local history collection.

Please also consider donating a second t-shirt in size medium or large, I promise to wear it around the Library from time to time, calling attention to your participation in this project. Thank you for your consideration. Please call or email if you have any questions. Materials can be dropped off at the library, mailed to the address below, or I’ll visit you personally if you call.

Very Truly Yours,

David J. Franz  
Library Director
